

# Co-created in Lithuania

## Lithuanian defence industry. A growing innovation ecosystem

### Core Competences

Photonics solutions

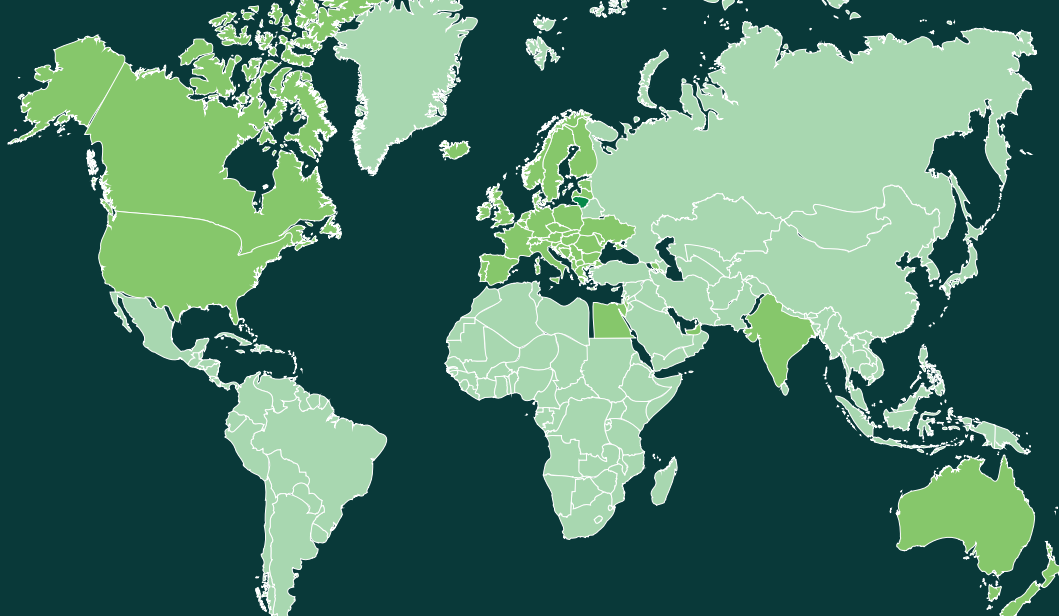

ICT solutions

Engineering solutions

### An open platform for co-creation

#### EXPORT MARKETS

- EU and NATO members
- Ukraine, Georgia, Moldova
- Israel, Egypt, UAE
- India, Australia, New Zealand

Discover leading Lithuanian exporters

## Lithuanian defence industry community

Products or Services Innovators

#### SPACE

- KONGBERG NANOAVIONICS**  
Nanosatellites and satellite communications  
[nanoavionics.com](http://nanoavionics.com)
- BLACKSWAN SPACE**  
Development of satellite autonomy platform and 3D space mission simulator  
[blackswan.ltd](http://blackswan.ltd)
- ASTROLIGHT**  
Optical communication solutions for LEO satellites and large naval vessels  
[astrolightspace.com](http://astrolightspace.com)

#### UAV

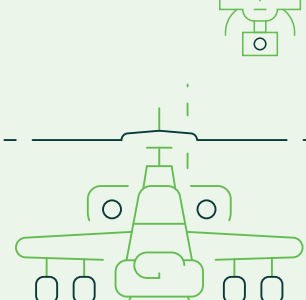

- RSI EUROPE**  
Remote initiation systems, FPV drone systems, UGV's  
[rsieu.com](http://rsieu.com)
- GRANTA AUTONOMY**  
Production of UAS, integrations and components for ISTAR, search & rescue, and loitering munitions  
[grantasolutions.eu](http://grantasolutions.eu)
- UNMANNED DEFENSE SYSTEMS**  
DETECT, ENGAGE, COMMAND – an automated cycle powered by unified software for ISR and short/long-range loitering munition UAV swarms  
[udefenses.com](http://udefenses.com)
- BALTIC VIPER**  
FPV drones  
[balticviper.it](http://balticviper.it)
- IT LOGIKA**  
Autonomous UAV stations for remote perimeter protection  
[itlogika.lt](http://itlogika.lt)
- THRUST**  
UAV systems for surveillance and reconnaissance applications  
[thrust.lt](http://thrust.lt)
- MONOPULSE**  
Small UAV system for reconnaissance applications  
[monopulse.eu](http://monopulse.eu)
- AGRODRONAS**  
Development of dual-purpose high-capacity UAVs  
[sagrodronas.lt](http://sagrodronas.lt)
- UNMANNED DYNAMICS**  
Development of hybrid UAVs  
[unmanned-dynamics.com](http://unmanned-dynamics.com)

#### GROUND VEHICLES

- KMT**  
Tactical vehicles, Military-Grade Trailers and FLATRACKS  
[kmt.lt](http://kmt.lt)
- OSTARA**  
Development of hybrid buggies and hybrid electric power system  
[ostaralab.com](http://ostaralab.com)
- ELEKTROCIKLAS**  
Development of electric off-road motorcycles  
[perkunobikes.com](http://perkunobikes.com)

#### EOD EQUIPMENT

- MITEKAS**  
Radio detonation initiation devices and impact, movement, magnetic and radar proximity detection detonation initiation devices for UAV and ground applications  
[mitekas.com](http://mitekas.com)
- BROSWARM**  
Mine detection using sensory arrays, sensor fusion  
[broswarm.com](http://broswarm.com)

#### DETECTION, LOCATION, ACQUISITION AND DECEPTION

- BROLIS SEMICONDUCTORS**  
Laser pointers and illuminators, thermal, night vision and SWIR systems  
[brolis-defence.com](http://brolis-defence.com)
- NT SERVICE**  
Counter-drone and radio-blocking systems  
[ntservice.eu](http://ntservice.eu)
- AKTYVUS PHOTONICS**  
Laser target designator for intelligent ammunition control  
[aktyvusphotonics.com](http://aktyvusphotonics.com)
- ATRI**  
Thermal imagers and surveillance systems  
[atri.lt](http://atri.lt)
- ADOS PRO**  
Thermal and night vision devices  
[ados-pro.com](http://ados-pro.com)
- TIGBIS**  
Decoding, distant information collection, drone detection solutions  
[tigbis.lt](http://tigbis.lt)
- VILRIDA**  
Thermal imaging devices, optoelectronic systems, video surveillance systems  
[vilrida.eu](http://vilrida.eu)
- BEESENSE EU**  
Perimeter surveillance systems comprising radars, imaging and AI  
[beesense-sys.com](http://beesense-sys.com)
- EUROELEKTRONIKA**  
Surveillance and security system integration, installation and maintenance  
[euroelektronika.lt](http://euroelektronika.lt)
- POLIMASTER EUROPE**  
Radiation detection and measurement devices, personal dosimeters  
[polimaster.com](http://polimaster.com)
- TONBO IMAGING**  
Electro-optics and IR imaging systems  
[tonboimaging.com](http://tonboimaging.com)
- VAIZDUOTĖ**  
Development of sensors for the identification and localisation of vehicles  
[vaizduote.lt](http://vaizduote.lt)
- 1D.WORKS**  
Development of object recognition solutions using AI and cameras  
[1d.works](http://1d.works)
- IMINT.AI**  
Development of Artificial Intelligence solution for vehicle recognition  
[imint.ai](http://imint.ai)
- QUANTUM LIGHT INSTRUMENTS**  
Development of a laser target designator  
[qlinstruments.com](http://qlinstruments.com)

#### AMMUNITION

- GIRAITĖS GINKLUOTĖS GAMYKLA**  
NATO ball cartridges  
[ggg-ammo.lt](http://ggg-ammo.lt)
- PAJŪRIO MEDIS LT**  
Wooden boxes for ammunition

#### R&D

- BALTIC INSTITUTE OF ADVANCED TECHNOLOGY**  
R&D in AI/ ML method development and applications, cybersecurity solutions, military UX/UI, and IC component design  
[bpt.lt](http://bpt.lt)
- CENTER FOR PHYSICAL SCIENCES AND TECHNOLOGY**  
R&D in photonics, electromagnetic measurement, military clothing, and protection systems  
[ftmc.lt](http://ftmc.lt)
- KAUNAS UNIVERSITY OF TECHNOLOGY**  
R&D in monitoring and communications equipment, weapons systems, unmanned platforms, cyber security, and ballistic protection  
[ktu.edu](http://ktu.edu)
- GENERAL JONAS ŽEMAITIS MILITARY ACADEMY OF LITHUANIA**  
R&D in human factors, medicine, information systems technology, and cyber security  
[ika.lt](http://ika.lt)
- VILNIUS TECH**  
R&D in UAV and applied vehicle technology  
[vilniustech.lt](http://vilniustech.lt)
- VILNIUS UNIVERSITY**  
R&D in UAV, cyber security, sensors, and electronics technology  
[vu.lt](http://vu.lt)
- VYTAUTAS MAGNUS UNIVERSITY**  
R&D in information systems technology and AI  
[vdu.lt](http://vdu.lt)

#### ICT

- BALTIC AMADEUS**  
ICT design, development, installation, and maintenance  
[ba.lt](http://ba.lt)
- NOVIAN PRO**  
Customised information systems and R&D projects  
[novian.lt](http://novian.lt)
- CELLULAR EXPERT**  
Radio and Optical visibility modelling software in ArcGIS environment and IoT military applications for Electronic Warfare  
[cellular-expert.com](http://cellular-expert.com)
- GNISAT-BALTIC**  
Geospatial analytics, location intelligence, and mapping based on Esri's ArcGIS  
[gisbaltic.eu](http://gisbaltic.eu)
- ELSIS TS**  
ICT design, development, installation and maintenance  
[elsists.lt](http://elsists.lt)
- NRD CS**  
Cybersecurity hardware and software  
[nrdfs.lt](http://nrdfs.lt)
- PIXPRO**  
Photogrammetric image reconstruction solutions  
[pix-pro.com](http://pix-pro.com)
- PRIMECOM**  
Cellular network security solutions  
[prime-com.lt](http://prime-com.lt)
- FAST TRAFFIC**  
Services for OSINT, VSINT, and secure communications  
[fasttraffic.lt](http://fasttraffic.lt)
- B.G.M**  
Cyber security hardware and software installation and maintenance  
[bgm.lt](http://bgm.lt)
- EIT SPRENDIMAI**  
ICT design, development, installation, and maintenance  
[eit.lt](http://eit.lt)
- REPSENSE**  
New generation AI-based automated analysis platform for monitoring the information space  
[repsense.io](http://repsense.io)

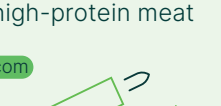

#### AIR/SEA/GROUND SUPPORT

- ASU BALTIJA**  
Aircraft repair, maintenance, and modernisation  
[asubaltija.lt](http://asubaltija.lt)
- AVIATIC MRO**  
Aircraft repair and maintenance  
[aviaticmro.com](http://aviaticmro.com)
- ARVEKA**  
Host nation real-life support  
[arveka.com](http://arveka.com)
- AVIATIC GS**  
UAV repair and maintenance  
[aviaticgs.com](http://aviaticgs.com)
- AVIATEMA EQUIPMENT**  
Aircraft maintenance shelters and aircraft covers  
[aviatema.com](http://aviatema.com)
- AUTOKURTAS**  
Support and maintenance of armoured vehicles  
[autokurtas.lt](http://autokurtas.lt)
- VAKARŲ LAIVŲ GAMYKLA**  
Design, construction, repair, and conversion of military ships  
[wsy.lt](http://wsy.lt)
- LITHUANIA DEFENSE SERVICES**  
In-Service Support for military vehicles

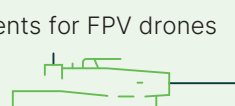

#### PERSONAL EQUIPMENT AND MILITARY RATIIONS

- KOVO ARMOR**  
Helmets, bulletproof plates and shields  
[kovo-armor.com](http://kovo-armor.com)
- LIELBATA**  
Ballistic helmets  
[lielbata.lt](http://lielbata.lt)
- AUDIMAS SUPPLY**  
Military uniforms, tactical and specialised clothing  
[audimas.supply](http://audimas.supply)
- GARLITA**  
Specialised clothing, uniforms  
[garlita.lt](http://garlita.lt)
- OMNITEKSAS**  
Military uniforms, tactical and specialised clothing  
[omniteksas.lt](http://omniteksas.lt)
- SAFARILAND LITHUANIA**  
Bulletproof vests  
[safariland.com](http://safariland.com)
- TAKTINIAI SPRENDIMAI**  
Pouches, holsters, and tactical clothing systems  
[tactical-solutions.eu](http://tactical-solutions.eu)
- SUPER GARDEN**  
Freeze-dried food for military rations  
[supergarden.lt](http://supergarden.lt)
- TUMA**  
Military uniforms, tactical and specialised clothing  
[tuma.lt](http://tuma.lt)
- UTENOS TRIKOTAŽAS**  
Military uniforms, tactical and specialised clothing  
[utenostrikotazas.lt](http://utenostrikotazas.lt)
- THE MEAT MAKERS**  
Long-lasting high-protein meat snacks  
[themeatmakers.com](http://themeatmakers.com)

#### COMPONENTS

- 3PHOTON**  
Laser optics and crystals  
[3photon.com](http://3photon.com)
- ALTECHNA**  
Custom laser optics, optical components, laser accessories, OEM  
[altechna.com](http://altechna.com)
- EKSMA OPTICS**  
Precision optical components, optical systems, crystals, optomechanics  
[eksmaoptics.com](http://eksmaoptics.com)
- INTEGRATED OPTICS**  
Compact lasers  
[integratedoptics.com](http://integratedoptics.com)
- OPTOMAN**  
Durable laser optics for extreme power applications  
[optoman.com](http://optoman.com)
- OPTONAS**  
Laser optics, coating services  
[optonas.com](http://optonas.com)
- WORKSHOP OF PHOTONICS**  
Laser workstations, laser micromachining technologies, special optics  
[wophotonics.com](http://wophotonics.com)
- EKSPLA**  
Ultrashort pulse laser systems  
[ekspla.lt](http://ekspla.lt)
- BEAGLE OPTICS**  
Precision engraving of transparent materials  
[beagleoptics.com](http://beagleoptics.com)
- INOREGA**  
Innovative polymers  
[inorega.lt](http://inorega.lt)
- KITRON**  
Electronic equipment and components  
[kitron.com](http://kitron.com)
- ESEMDA**  
Electronics manufacturing services  
[www.esemda.com](http://www.esemda.com)
- PRECIZIKA METROLOGY**  
Metrotronics components  
[precizika.com](http://precizika.com)
- SARGASAS**  
Optomechanical components  
[sargasas.lt](http://sargasas.lt)
- STEVILA**  
Mechanical high-precision components  
[stevila.lt](http://stevila.lt)
- KARBONAS**  
Metalworking services  
[karbonas.eu](http://karbonas.eu)
- RADVILIŠKIO MAŠINŲ GAMYKLA**  
Metal constructions and parts for vehicles  
[factory.lt](http://factory.lt)
- METACO**  
Metalworking services  
[metaco.lt](http://metaco.lt)
- ENTECH GROUP**  
Design and manufacturing of custom-made plastic parts  
[entech.lt](http://entech.lt)
- MARTEMA**  
Steel and alloys CNC machining, heat treatment, coating and protection solutions  
[martema.lt](http://martema.lt)
- HENNORDIC**  
Metalworking services  
[hennordic.com](http://hennordic.com)
- ARGINTA ENGINEERING**  
Engineering and metalworking  
[argintaengineering.lt](http://argintaengineering.lt)
- ARTILUX NMF**  
Plastic injection moulding and metal sheet processing  
[artiluxnmf.se](http://artiluxnmf.se)
- KB COMPONENTS**  
Plastic component manufacturing  
[kbcomponents.com](http://kbcomponents.com)
- VAIVORA ENGINEERING**  
Metal machining (CNC milling and turning services)  
[vaivora.com](http://vaivora.com)
- METALISTAS LT**  
Sheet metal machining, welding, fitting  
[metalistas.lt](http://metalistas.lt)
- LEMARA**  
CNC turning and milling services  
[lemara.lt](http://lemara.lt)
- LUNA ROBOTICS**  
Night Vision for FPV Drones  
[lunarobotics.eu](http://lunarobotics.eu)
- TDI-LT**  
Components for FPV drones

## REGISTER NOW

**Baltic Miltech Summit 2025**

Baltic Miltech Summit is an international defence innovation conference on global and regional trends in defence technologies.

On the 7<sup>th</sup> of May, 2025 the conference will convene NATO and EU policymakers, stakeholders, industry and research bodies for discussions on how small countries can develop innovative defence ecosystems and how the industry can be the driver for technological change and innovation.

Learn more at:

[www.balticmiltech.com](http://www.balticmiltech.com)

The summit's agenda will consist of an international conference, a B2B matchmaking session and a networking event in Vilnius, Lithuania.

We hope that you will seize this opportunity to learn, connect and network!

**GET MORE INFO FROM:**

**Pranciškus Vaišvila**  
Industry Development Manager
